Universal Steel Fabrication Factory (MEC Factory)

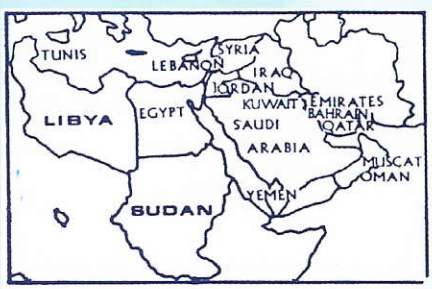
MEC is the most favorable and leading Electro-Mechanical Engineering, Contracting,
Industrial & Trading organization in Jordan & Middle East, established since 1968 & still progressing.

MEC in continuous progress since the foundation of the firm, proving a high quality of our work and after service maintenance for the projects performed.

MEC staff today includes about 690 permanent personnel. These are engineers, technicians & administrators in our offices, stores, Factory & at sites.
We have 22000 M^2 building facilities for our works.

MEC executed directly with clients or subcontract or in-cooperation with many international contracting companies more than 180 large projects of different types in Jordan and the near-by Arab countries for several clients

MEC Warehouses



Area of Activities

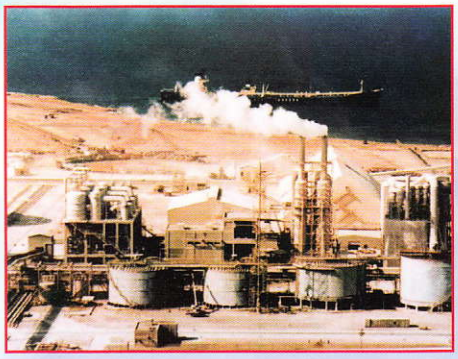
Global Solutions

MEC provides global solutions across a range of chosen market sectors, in these areas, we provide expertise at all stages of a project from initial feasibility through design, fabrication, construction / installation and project delivery to operation and maintenance.

Our services support the clients to optimize value over the life of their capital assets and through long-term service relationships.

We maintain and renew these facilities on an outsourced basis.

Petro-chemical Industries



Fertilizer Plants
Aqaba- Jordan

Gas Plants & Refineries

RISHA Gas Project - Jordan

In Cooperation With

AGRA MONENCO (AMEC)
& PETRO-CANADA

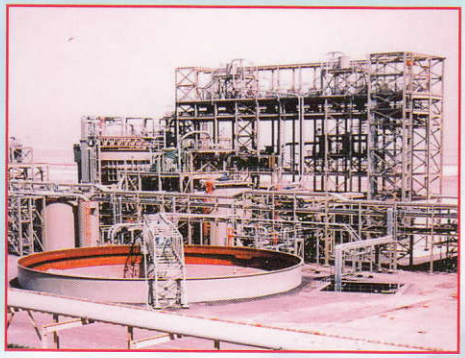
Cement Plants

Jordan Cement Plant
(FUHES)

In Cooperation With
F.L. SMITH

South Cement Plant

Industrial Plants



Arab Potash Expansions

In cooperation with
WIMPEY -UK
SWENSON - USA
WEIR-WARMAN - UK

Mining plants

MA'ADEN Magnesia Plant
In Cooperation With
MUSTANG TAMPA
PEGASUS TSI USA

Jordan Magnesia Co.
In Cooperation With
Hamon Research Cottrell - USA
Strongco Engineered Systems - Canada
Washington Group
USA

Industrial Refrigeration Plants

Nejemah Bulk Pharmaceutical Plant

In Cooperation With
AGRA MONENCO
(AMEC) - Canada

Jetty & Pumping Stations

Brine Intake Pumping Station For Arab Potash Company

In Cooperation With
GEC ALSTHOM France

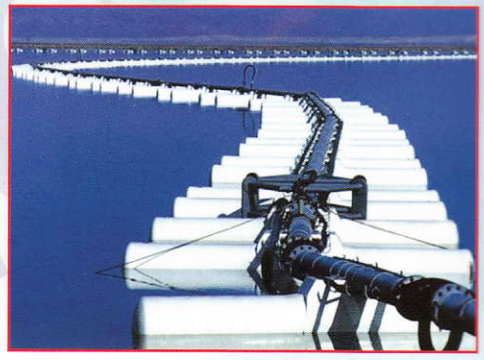
KIER International UK

Water & Sewage Treatment

Four Pumping Station 40MW DEIR ALLA - ZAI Improvement of Water Supply To Greater Amman

In Cooperation With
EBARA Corp. Japan

Pipelines (Oil, Gas & Water)



Floating Pipelines in Dead Sea For Arab Potash Co.

R.O & Compact Plants | Industrial Filtration Plants | Dedusting Plants

9 Reverse Osmoses Producing 7200m3/Hr. of Drinking Water

In Cooperation with Infilco Degremont – France

Reversing Mill Coolant Filtration System For Universal Metal Coating Co. Saudi Arabia

In Cooperation with FILTERTECH INC. – USA

Dedusting Plant
Arab Potash Company

In Cooperation With
TEMA B.V Netherlands

Insulation

Aqaba Thermal Power Station

In Cooperation With
ABB SADELMI Italy

Cold & Hot Crystallization Plants

Arab Potash Co. Crystallization Units & Expansions

In Cooperation With
SWENSON USA

Heat Exchanger Units

Arab Potash Expansion Falling Film Heat Exchanger at Hot Leach Plant

In Cooperation with
ERCOSPLAN Germany
MATEC Germany

Power Generation

RISHA Gas Power Station

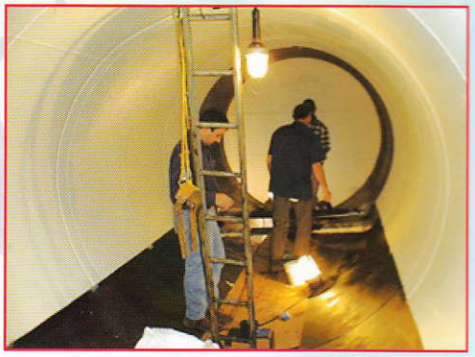
In Cooperation With AGRA MONENCO (AMEC) & PETRO-CANADA

Industrial Screening Units

Arab Potash Expansion Vibrating Screening at Hot Leach Plant

In Cooperation with ERCOSPLAN Germany

Rubber Lining



Arab Potash Crystallizers

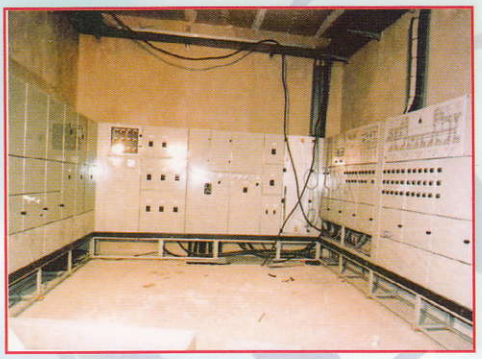
KEMPACO Tanks

Electrical Works

Switchgear for Water Pumping Station

Power & Control Cables For Cold Crystallization Plant at APC

Instruments & Controls



Instrument & Control Rooms For Industrial Plants

Generators &Transformers

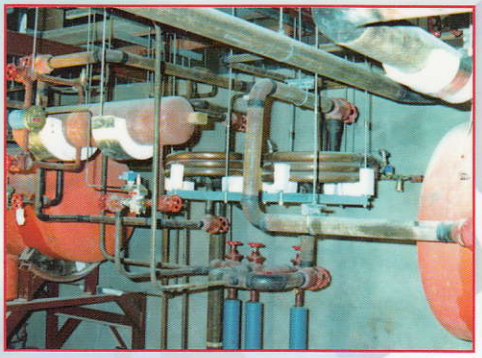
1.5MW Standby Generators for Industrial Projects

Building & HVAC (Heating Ventilation & Air Conditioning)

Tower Building - Amman
The Biggest Building In Jordan
Complete Electro-Mechanical Works

Four Seasons Hotel
Amman - Jordan

Cold Stores

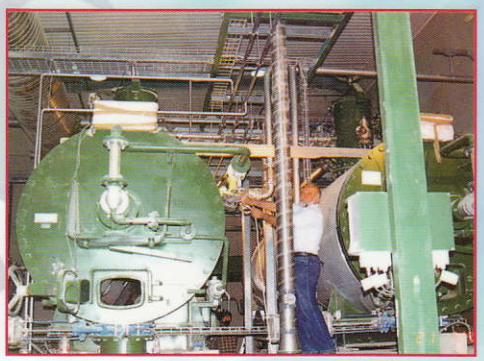


International FoodStuff Co.

JWEDAH Cold Stores

In Cooperation With
DELLERTO – Ital

Food Industries Projects



Chicken Slaughterhouses

In Cooperation With
STORK, GRASSO
Netherlands

Pharmaceutical Plants & Hospitals

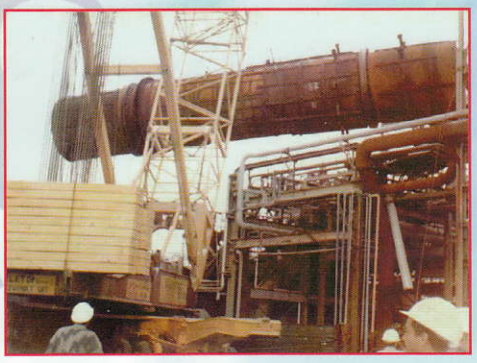
Arab Medicines Co.

King Hussein Medical Center
(Queen Alia Heart Institute)

Textile & Apparel Factories

The Biggest Textile & Apparel Factories in Jordan

Maintenance



We have the most leading maintenance team in Jordan ready to doing all electro mechanical maintenance works for our projects & for most of the big industrial projects

Mining Equipments

Magnesia Plant For
MA'ADEN - Saudi Arabia

In Cooperation With
MUSTANG TAMPA
PEGASUS TSI USA

Cyclones, Bins & Silos

Design, Fabrication &
Erection Industrial Cyclones, Bins, Hoppers &
Silos For Industrial Plants

In cooperation With
GEA BARR-ROSIN - UK
MUSTANG TAMPA
PEGASUS TSI USA

Industrial Tanks & Pressure Vessels

Jordan Bromine Company

In Cooperation With
Chicago Bridge
Industries (CBI)
